BECOME A MEMBER!

Imagine a more humane world in which every animal enjoys the respect and compassion they deserve. A Dane County Humane Society membership goes a long way in helping create that world right here in your community. Everything we do - and every animal we help - depends on the kindness of generous people like you. Please, won't you consider becoming a member to help the homeless animals of Dane County?

Your support will help us continue to help animals through services such as: adoptions, spay/neuter assistance, lifesaving medical treatment, adult and child education, and wildlife rehabilitation programs. We are committed to making the most impact with every dollar you give.

For as little as \$35, you can become a DCHS member today and help change the world... your support makes it possible!

DCHS members receive:

- Voting rights at our Annual Membership Meeting
- Subscription to our quarterly newsletter, *Petpourri*
